

GPDIS MBSE Workshop 2019 Survey

- 1) How do you identify yourself? (circle all that apply)
 - a) CAD Designer
 - b) PLM Designer
 - c) Engineer
 - d) IT
 - e) Management
 - f) System Engineer
 - g) Analytical Modeler
 - h) Solution Provider
 - i) Other (describe) _____

- 2) Your type of company/organization? (circle one)
 - a) Industry
 - b) Consortium/Non-Profit
 - c) Government
 - d) Solution Provider

- 3) How many GPDIS MBSE Workshops have you attended (including this one)?
 - a) This is my first
 - b) Or enter number

- 4) Why is MBSE important to you?

- 5) What is your level of involvement with MBSE tools?
 - a) Not available and not aware of others' use in my organization/company
 - b) Investigating
 - c) Available but do not use
 - d) Rely on use by others
 - e) Use tools
 - f) Develop tools
 - g) Integrate tools
 - h) Purchase tools

- 6) What types of MBSE tools are available at your company/organization? (Examples: architecture, system modeling, software, analysis, simulation, requirements, CAD, logistics, manufacturing modeling/planning, business, etc.)

- 7) Identify Architecture Description Language (ADL) tools in use at your company/organization:
 - a) SysML: Yes No If Yes, which tools? _____
 - b) AADL: Yes No
 - c) Capella: Yes No
 - d) Other(s): _____

- 8) Does your company recognize MBSE as an important contributor?

- 9) Where is your company/organization's MBSE department?
 - a) Do not have a formal department; ad hoc
 - b) Part of System Engineering organization
 - c) Other _____

- 10) What is your company's greatest challenge for utilizing the MBSE technologies?

- 11) What information/industry assistance do you need to move the MBSE needle?

GPDIS MBSE Workshop 2019 Survey

- 12) What can the MBSE working group at GPDIS do to help?
- 13) Do you current manage your system requirements within a PLM platform?
- 14) Do you currently mange your systems architecture data/models within a PLM platform?
- 15) Has your company used OSLC for enterprise data system integration?
 - a) No
 - b) Yes
- 16) Business case for using MBSE at your company/organization:
 - a) No business case justification
 - b) Some justification, but still need proof of benefit
 - c) Fully justified, part of standard practice
- 17) Which MBSE standards are you using?
- 18) Are you investigating any MBSE standards (if so which ones)
- 19) What considerations are you giving to archival and retrieval of your MBSE data?
- 20) Do you attend any industry MBSE working groups (e.g. INCOSE, NAFEMS etc)
- 21) What topic or activity would you like to see in a future workshop?
- 22) AP243 is the savior of the aerospace industry
 - a) True
 - b) False
 - c) What is it?
- 23) What MBSE data standard do you expect to have the greatest impact and why?
- 24) Is deploying MBSE the responsibility of your Systems Engineering Organization?
- 25) Is MBSE a Senior Leadership Priority?
- 26) Is there clear communication from your Leadership on the MBSE Strategy?
